Dear [Hiring Manager Name],

I am excited to apply for the Web Developer position at [Company Name]. With hands-on experience in HTML, CSS, JavaScript, and PHP, combined with my studies in Web Design & Development at the University of Arkansas at Little Rock, I am confident in my ability to contribute to your team by building responsive, user-friendly web applications.

My projects demonstrate my ability to implement clean, maintainable code and visually engaging designs. I am also a strong collaborator and problem solver, eager to learn and grow in a professional development environment.

I would welcome the opportunity to discuss how my skills and enthusiasm align with your company's needs. Thank you for considering my application.

Sincerely,

Cristal Castle-McCall
