UNIVERSITY OF ARKANSAS
AT LITTLE ROCK

- BA Web Design and Development

SKILLS

- Problem Solving
- Public Relations
- Teamwork
- HTML
- CSS
- JavaScript
- GitHub
- WIX
- WordPress

PROFILE

Aspiring Web Developer with a strong foundation in HTML, CSS, and JavaScript. Passionate about creating responsive and user-friendly web applications. Background in childcare, bringing patience, adaptability, strong communication skills, and problem-solving abilities to software development. Experienced with WordPress, Wix, GitHub for version control, and Bootstrap for front-end design. Proficient in customer service, troubleshooting, and Microsoft Office.

WORK EXPERIENCE

Montessori of University Village

MAY 2023 - NOVEMBER 2023

Lead Infant Teacher

- Utilized strong communication and problem-solving skills to create structured learning environments.
- Managed multiple responsibilities, demonstrating time management and attention to detail.
- Adapted to new challenges quickly, skills that translate to debugging and troubleshooting in web development.

Little Sunshine's Playhouse and Preschool

2020 - 2023

Lead Infant Teacher

- Developed structured lesson plans, showcasing organizational and project management skills.
- Created engaging and interactive activities, similar to UI/UX design principles in web development.
- Used technology-based learning tools, gaining experience with digital platforms and content creation.
